Table 1

What programming language or software do you use for your analyses of preexisting observational data?

Programming language	N	Percentage of respondents
R	65	40
Stata	48	29
SPSS	17	10
SAS	15	9
Python	6	4
Missing	4	2
Mplus	3	2
Bash	2	1
MATLAB	1	1
Nextflow	1	1
plink2	1	1
